- Hearing date.<sup>3</sup>

FEDERAL COMMUNICATIONS COMMISSION<sup>4</sup>

Richard L. Sippel  
Chief Administrative Law Judge

---

<sup>1</sup> Hearing exhibits and written testimony must be received by all parties and the Presiding judge not later than this date. Exhibits are to be serially numbered and assembled in binders. The name of the party introducing the exhibits must be shown on each exhibit (*e.g.*, GSN Exh. 1). All pages within each exhibit must be consecutively numbered and internal numbering by hand is accepted. Tabbed dividers indicating exhibit numbers shall be used. If Official Notice of documents is expected to be requested, each document must be separately assembled, identified by source, given an exhibit number (*e.g.* Notice Exh. \_\_\_\_ ) and exchanged on the date set. Index with descriptive title of each footnote exhibit, number of pages in each exhibit, and identification of any sponsoring witness(es) for each exhibit shall be included.

<sup>2</sup> If objections cannot be resolved by written *Order* (*i.e.* need arises for live authentication testimony), they will be resolved on first day of hearing in which case authentication witness must be in the courtroom or in the adjoining witness room.

<sup>3</sup> Each party has the option to conduct brief direct examination of its witness for introduction, to address or clarify any fact issue raised for the first time in a opposing party's written direct testimony, and to briefly summarize the witness's written direct testimony before the witness is proffered for cross-examination. Witness can expect one 15 minute break in the a.m. and one in the p.m. Expect where witness cross-examination can be completed by a reasonable later time, the hearing day ends at 5:00 p.m.

<sup>4</sup> Courtesy copies sent to all counsel and to Mr. Warren Havens by e-mail upon issuance of this *Order*.
